TRUSSCORE™ PVC INTERLOCKING LINER PANEL

agricultural • residential • commercial • industrial

Wherever you need a smooth finish that is easy to clean, low maintenance and abuse resistant, TRUSSCORE PVC Sanitary Wall and Ceiling Panel has your project covered.

- | | | |
|-------------------------------|----------------------------|-------------------------|
| Dairy, Hog, and Poultry Farms | Food Processing Plants | Breweries |
| Car Washes | Chemical Processing Plants | Nursing Homes |
| Home Ceiling / Wall Panels | Meat Packaging Facilities | Health Care Facilities |
| Kennels | Restaurant Kitchens | Public Bathrooms |
| Riding Stables | Supermarkets | Refrigerated Warehouses |
| Marinas | Laboratories | Schools |
| Fisheries | Theme Parks | Laundromats |

Key Advantages Include —

- Industry leading 1/2" thick heavy wall design
- Inner truss design for rigidity and high strength
- Cost effective
- Can be used for new construction or retrofit
- Bright clean appearance
- Virtually maintenance free
- Meets CFIA (Canada) and FDA (U.S.A.) requirements for walls and ceilings
- Comes in standard and custom lengths
- Corrosion-resistant
- Hidden fasteners
- Highly resistant to moisture and most chemicals
- Ideal replacement for conventional wall systems
- Lightweight, fast easy installation
- Supports attic insulation loads
- Pre-punched nailing flange

The panel's unique truss design provides outstanding spanning capability as well as high-strength.

The panel's surface is highly durable and resistant to scratches, chemicals and moisture.

PVC Interlocking Liner Panel comes in standard 10-, 12- and 16-foot lengths. Custom lengths are available.
